A woman is in a coma. Nurses are in her room giving her a sponge bath. One of them is washing her "private area" and notices that there is a response on the monitor when he touches her. They go to her husband and explain what happened, telling him, "Crazy as this sounds, maybe a little oral sex will do the trick and bring her out of the coma." The husband is skeptical, but they assure him that they'll close the curtains for privacy. Besides it's worth a try. The hubby finally agrees and goes into his wife's room. After a few minutes the woman's monitor flat-lines... no pulse... no heart rate. The nurses run into the room. The husband is standing there, pulling up his pants and says, "I think she choked."

A trumpeter is hired to play two solos in a movie. After the sessions he is paid handsomely and promised by the director that he will be notified when the movie is released to the public.

Three months later, he receives a notice that the movie will make its debut in Times Square at a porno house. The musician enters the theatre wearing a dark raincoat and shades. Unaccustomed to porno flicks, he sits in the last row next to an elderly couple.

The film has explicit sex scenes: oral intercourse, anal intercourse, golden showers, sado-masochism and near the end a dog has intercourse with the leading female character.

Mr. Rabbit then wished for a motorcycle. It appeared before him, and he climbed on board and started revving the engine. Mr. Bear could not believe it and Complained that Mr. Rabbit had wasted two wishes that he could have had for himself. Shaking his head, Mr. Bear made his final wish, that all the other bears in the world were females as well, leaving him as the only male bear in the world.

The frog replied that it had been done, and they both turned to Mr. Rabbit for his last wish. Mr. Rabbit revved the engine, thought for a second, then said, "I wish that Mr. Bear was gay!" and rode off as fast as he could!
